Werewolf moderator sheet

A pencil-and-paper tracker. Use the rules that belong to your edition.

12 rows per sheet: print another if needed. This is not a recommended player count.

Game / date: _____ Rules / edition: _____

Agree before playing: tied votes, role reveals and victory conditions.
Keep the rulebook and your night-call order within reach.

1 / Players and roles

Seat	Name	Current role	In / out / notes
1			
2			
3			
4			
5			
6			
7			
8			
9			
10			
11			
12			

2 / Round log

Round	Choices / targets	Resolved outcome / vote

3 / Before moving on

Keep the target separate from the outcome. Resolve powers using your rules.
Update roles and eliminations, then check whether the game has ended.

Keep this sheet hidden from players, including while counting votes.
